Accreditation and Designation

Physicians: This activity has been planned and implemented in accordance with the Essential Areas and policies of the Rhode Island Medical Society through the joint sponsorship of Coastal Care Medical Management, Rhode Island Department of Health and Rhode Island Geriatric Education Center. Coastal Care Medical Management is accredited by the RIMS to sponsor intrastate continuing medical education for physicians.

Coastal Care Medical Management designates this live educational activity for a maximum of **3 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: This educational activity is approved for 3 contact hours by the Rhode Island State Nurses Association which is an accredited approver of continuing education in nursing by the American Nurses Credentialing Center's Commission on Accreditation.

Physician Assistants AAPA accepts certificates of participation for educational activities certified for Category 1 credit from AOACCME, Prescribed credit from AAFP, and AMA PRA Category 1 Credit from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of **3 hours of Category 1 credit** for completing this program.

Physical And Occupational Therapists Physical and Occupational Therapists may use CME or CEU credits toward continuing education requirements. Documentation of attendance will be provided to attendees.

PHYSICIANS: \$75

ALLIED HEALTH CARE PROFESSIONALS: \$50

RESIDENTS and FELLOWS: WAIVED

TUITION INCLUDES BREAKFAST, CERTIFICATE OF ATTENDANCE + FREE ON SITE PARKING!

Registrations will be accepted on a first-come, first-served basis. Space is limited. Confirmed registrants will receive notification and directions (if applicable) by e-mail. Cancellations must be made in writing to Coastal Care Medical Management at least two weeks prior to the conference date. A \$25.00 administrative fee will be charged for refunds and there will be no refunds for "no shows". The program sponsors reserve the right to cancel this program with full refunds to paid registrants.

Falls are the leading cause of injury hospitalization in Rhode Island and cause two thirds of accidental deaths among those aged 65 and older. It is estimated that 30% to 50% of falls are preventable.

This seminar is designed for physicians, physicians assistants, nurses, physical and occupational therapists, and other health professionals who work with the elderly to reduce injury and deaths caused by falls.

Objectives

This seminar's objectives are to identify:

- The current state of the science of fall prevention
- The relationship between medication use and falls
- Strategies & resources for fall prevention

Plan on attending these upcoming CME events in 2012!

Women's Health CME (postponed from October)
